

## **NEWS LETTER - NEW BIN T420**

Dear Customer,

We are pleased to introduce the **new BIN T420**, which is going to definitively replace the actual models **BIN T260 e T400**.

Hereunder the **technical details** referred to the **BIN T420**:

- **Capacity:** kg 200
- **Insulation:** suitable to grant long lasting ice
- **Materials used:** suitable to the contact with aliments and respecting the EC Directives, easy to clean
- **Inside bin:** Polyethylene
- **Structure:** wholly in Stainless Steel 18/8 “scotch brite”  
One block structure (contrarily to the actual bins composed by two pieces). The sizes have been modified to make easier the access through doors.
- **Sizes:** mm W 870 - D 790 - H 1000  
(sizes of the actual bins are mm: W 862 - D 840 - H 850)
- **Feet:** Stainless Steel, adjustable H 100÷160 mm

www.ntfice.it

The **BIN T420** will be supplied starting from October 2007 onwards and will be predisposed to install the following ice makers. Hereunder the relative application codes, that shall be used in occasion of your future requests:

<u>Code</u>	<u>Description</u>	<u>Code</u>	<u>Description</u>
<b>83191SV000000</b>	<b>BIN T420*CM350</b>	<b>83191SV300000</b>	<b>BIN T420*CV475/950</b>
<b>83191SV100000</b>	<b>BIN T420*CM150</b>	<b>83191SV400000</b>	<b>BIN T420*GM550/1100</b>
<b>83191SV200000</b>	<b>BIN T420*CV305</b>	<b>83191SV500000</b>	<b>BIN T420*SM750</b>

Consequently, the following codes/models become obsolete:

- CODE 83090SV000000                      BIN T400\*CM150
- CODE 83090SV100000                    BIN T260\*GM550/1100
- CODE 83091SV000000                    BIN T400\*CM350
- CODE 83091SV100000                    BIN T400\*CV475/CV950
- CODE 83091SV200000                    BIN T400\*CV305
- CODE 83091SV400000                    BIN T400\*SM750
