

NEWS LETTER - NEW BIN T830

Dear Customer,

We are pleased to introduce the **new BIN T830** which is going to definitively substitute the actual models **BIN T600, T850, T880**.

Hereunder the **technical details** referred to the BIN T830:

- **Capacity:** kg 350
- **Insulation:** suitable to grant long lasting ice
- **Materials used:** suitable to the contact with aliments and respecting the EC Directives
- **Inside bin:** Polyethylene
- **Structure:** wholly in Stainless Steel 18/8 "scotch brite"
One block structure (contrarily to the actual bins composed by two pieces). The sizes have been reduced to make easier the access through doors.
- **Sizes:** mm W 1250 - D 790 - H 1000
(sizes of the actual bins are mm: W 1250 - D 900 - H 1000)
- **Feet:** Stainless Steel, adjustable H 100÷160 mm

The new **BIN T830** will be supplied starting from next **MAY 2007**.
Same may be **combined with the following ice makers models**. Here under the relative application codes, that shall be used in occasion of your requests:
